SPECIAL GENERAL MEETING IN MINEHEAD

AVENUE ROAD METHODIST HALL

WEDNESDAY 24th NOVEMBER

7.30pm

AGENDA

Report back to members and looking forward to the AGM

to be followed by refreshments

Our new office is situated in the TAUNTON YMCA building on Lisieux Way in Taunton. We are pleased with the partnership between our two organisations and have been made very welcome by YMCA staff.

The credit unions in Somerset have come together to form a new cooperative organisation called FOCUS (Forum of Credit Unions in Somerset). Each credit union (Moorvale, Sedgmoor Savers, Mendip and Camelot) is a member of the cooperative. FOCUS will try to provide credit union services across the whole county.

Following the resignation of our long serving secretary, Dave Turner, new volunteers are coming forward to help out with the office work. New volunteers, especially from Taunton, are still welcome.
